the focus needs to be on the quality of dialogue between people and on having the right conversations at work. Essentially,

Great Conversation Starters for the Workplace
The first step to starting a conversation is to keep it simple. While saying hello and introducing yourself is a great start, an awkward silence can follow after those initial first words. Here is where you need to follow up with a way to open a door, an invitation for a dialogue to begin. Resist the urge to come up with a clever icebreaker.

Promoting Diversity and Inclusion Through Conversation
Aug 05, 2020 · According to John Boitnott, from the Chicago Tribune, meaningful conversations can fuel collaboration, personal growth, and company productivity because they encourage employees to be curious about the world and their role in it [1]. They can inspire employees to learn and explore perspectives other than their own.

5 Growth Conversations to Engage and Retain Your Employees
Conversation #5: Temperature Check. Providing growth opportunities to employees is about creating engagement. Growth opportunities get employees out of the day-to-day boredom of their jobs. If a task is not providing the challenge it is intended to provide, think about adding additional rigor to the task.

How do you start the conversation about promotion
Most managers don't really like surprises, so play it by the book. This means making a polite, formal request in writing for a meeting to discuss it. Your request should be positive and non-threatening. Keep the conversation open - the last thing you want to do is go in all guns blazing, demanding an immediate 'yes or no' answer. Tell your boss you've been thinking about your
