Mesopotamia: Overview and Summary: History

Mesopotamia is a region of southwest Asia in the Tigris and Euphrates river system that benefited from the area's climate and geography to host the beginnings of civilization. Almost 4000 years ago, Mesopotamia was the home of the Sumerians. Mesopotamia is reached by following the Tigris and Euphrates from their sources to the Persian Gulf, which was then the outlet of the Sea of Aral. The Sumerian culture flourished between 3500 BC and 2100 BC. The Sumerians developed a system of writing called cuneiform, which was used for over 3000 years.
