In A Seat at the Table, CIO Mark Schwartz explores the role of IT leadership as it is now and opens the door to reveal IT leadership as it should be—an integral part of the value creation engine. With wit and an easy style, Schwartz reveals that the only way to become an Agile IT leader is to be courageous—to throw off the attitude and assumptions that have kept CIOs from taking their rightful seat at the table. CIOs, step on up, your seat at the table is waiting for you.

Elisha walks through Brooklyn with side curls tucked behind his ears and an oversized black hat on his head. He is a Chassidic Orthodox Jew and the son of a revered rabbi in whose footsteps he's expected to follow. When he leaves his insular world to take classes at a secular college, he vows to remain unchanged... Rabbi Joseph Telushkin, Author of Jewish Literacy and a Jewish Code of Ethics
"Halberstam takes you deeply into the Chassidic community with a critical eye but a loving, understanding heart. This tender, compassionate coming-of-age story brims over with wisdom from the Jewish tradition. It's worth reading for the Chassidic tales alone." David Grubin, Documentary Filmmaker, The Jewish Americans, LBJ "Joshua Halberstam knows the soul of Chassidic Brooklyn better than anyone without payes and a black hat. He explores that world with a unique combination of skepticism and compassion. A Seat at the Table is a lovely and deeply humane book." Melvin Jules Bukiet,

This inspiring picture-book biography about Nancy Pelosi shows her journey from the child of Baltimore's mayor to her marble-ceiling-shattering four terms as Speaker of the House, including the historic events of January 6th, 2021. Nancy Pelosi grew up watching her father, the mayor of Baltimore, welcome in people of all different backgrounds to sit at their table and make their voices heard. Nancy's mother always stood beside him, working behind the scenes to help her husband and the people he served.

When Nancy grew up, she continued working behind the scenes in politics until a friend asked her to run for Congress herself--jump-starting a 33 year career as a political representative and taking her higher than she could have once imagined. Young girls, especially, will be inspired by Nancy's journey and her commitment to using her voice to help others and to make sure women are heard in government. The backmatter also includes an exclusive interview with Nancy Pelosi herself.

Many countries face challenges of migration, terrorism, climate change, and the spread of fast-paced technology. Those who are sitting around the table will change the course of history and redefine how we solve critical problems. A Seat at the Table: Women, Diplomacy, and Lessons for the World shares the impact of gender-diversified leadership and why varied voices lead to stronger resolutions and enhanced team dynamics.

Research proves that when women are involved in peace processes, an agreement is 35% more likely to last at least 15 years. Additionally, higher levels of gender equality are associated with a lower tendency for conflict. Women ambassadors, deputy chiefs of mission, and government officials, spanning all the regions of the world, share their stories and provide insight into developing a unique leadership style. You'll learn from women who helped combat ISIS, negotiated major treaties, set standards for cybersecurity, worked through intense conflicts,

**Don't Give the Enemy a Seat at Your Table** - Louie Giglio - 2021-05-11
Louie Giglio helps you find encouragement, hope, and strength in the midst of any valley as you reject the enemy voices of fear, rage, lust, insecurity, anxiety, despair, temptation, or defeat. Scripture is clear: the Enemy is a liar who will stop at nothing to tempt you into poor decisions and self-defeating mindsets, making you feel afraid, angry, anxious, or defeated. It is all too easy for Satan to weasel his way into a seat at the table intended for only you and your King. But you can fight back. Don't Give the Enemy a Seat at Your Table outlines the ways to overcome those lies so you can find peace and security in any challenging circumstance or situation. With the same bold, exciting approach to Scripture as employed in Goliath Must Fall, Louie Giglio examines Psalm 23 in fresh ways, highlighting verse 5: “You prepare a table before me in the presence of my enemies.” You can find freedom from insecurity, temptation, and defeat—if you allow Jesus, the Shepherd, to lead the battle for your mind and heart. This spiritual warfare book for those who are leery of spiritual warfare books will resonate with Louie’s core Passion tribe as well as with Christians of all ages who want to live a triumphant life in God.

singular narrative of women's congressional and contributions to American politics today. Drawing on personal interviews with over three-quarters of the women serving in the 114th Congress (2015-17), the authors analyze how these women navigate today's stark partisan divisions, and whether they feel effective in their jobs. Through first-person perspectives, A Seat at the Table looks at what motivates these women's legislative priorities and behavior, details the ways in which women experience service within a male-dominated institution, and highlights why it matters that women sit in the nation's federal legislative chambers. It describes the strategies women employ to overcome any challenges they confront as well as the opportunities available to them. The book examines how gender interacts with political party, race and ethnicity, seniority, chamber, and district characteristics to shape women's representational influence and behavior, finding that party and race/ethnicity are the two most complicating factors to a representation. While congresswomen's perspectives, experiences, and influence are neither uniform nor interchangeable, they strongly believe their presence matters in myriad ways, affecting congressional culture, priorities, processes, debates, and outcomes.

The Memo - Minda Harts - 2020-09-15
Lean In for women of color: A no-BS look at the odds stacked against women of color in biases and micro-aggressions, with actionable takeaways The Memo is the much-needed career advice guide for women of color specifically, finally ending the one-size-fits-all approach of business books that lump together women across races and overlook the unique barriers to success for women of color. In a charismatic and relatable voice, Minda Harts brings her entrepreneurial experience as CEO of The Memo to the page, as well as her past career life as a fundraising consultant to top colleges across the country. With wit and candor, Harts begins by acknowledging the "ugly truths" that keep women of color from getting the proverbial seat at the table in corporate America: micro-aggressions, systemic racism, white privilege, etc. Harts validates that women aren't making up the discrimination they feel, even if it isn't always overt. From there, she gives straight talk on how to address these issues head on, and provides a roadmap to help women of color and their allies

A SEAT AT THE TABLE is part memoir, part educational, and part instructional. Having been born and raised in a poor urban community in Toledo, Ohio, Celia Williamson was at risk in every way to become a trafficked youth. Having seen two of her friends trafficked and one killed, Celia went on to become a survivor of oppression and build a global reputation for herself as a renowned social justice advocate. As the first person to conduct street outreach in Ohio and create a model for research and advocacy, Celia has revolutionized global anti-trafficking efforts. Her story is one of courage, action, and triumph in the face of violence and cultural diversity.

This fascinating look at global politics follows New Zealand's fourth term as a non-permanent member of the United Nations Security Council, from 2015 to 2016. Its engrossing chapters by key players, from the then Minister for Foreign Affairs Murray McCully to the two-term New Zealand President of the Security Council Gerard van Bohemen, offer real insights into the Council's day-to-day workings. This book examines New Zealand's efforts to improve Council processes, and asks: Given the dominance of the P5—the United States, China, Russia, France, and the United Kingdom—is there a role on the Security Council for smaller nations? And can they effect meaningful change for those suffering in war-torn and corrupt countries?

Can you feel nostalgic for a life you've never known? Suffused with her much-loved warmth and wit, Emma John's memoir follows her moving and memorable journey to master one of the hardest musical styles on earth - and to find her place in an alien world. Emma had fallen out of love with her violin when a chance trip to the American South introduced her to bluegrass music. Classically trained, highly strung and wedded to London life, Emma was about as country as a gin martini. So why did it feel like a homecoming? Answering that question takes Emma deep into the Appalachian mountains, where she uncovers a hidden culture that confounds every expectation - and learns some emotional truths of her own.

**My Place at the Table** - Alexander Lobrano - 2021-06-01

In this debut memoir, a James Beard Award–winning writer, whose childhood idea of fine dining was Howard Johnson’s, tells how he became one of Paris’s most influential food critics. Until Alec Lobrano landed a job in the glamorous Paris office of Women’s Wear Daily, his main experience of French cuisine was the occasional supermarket éclair. An interview with the owner of a renowned cheese shop for his first article nearly proves a disaster because he speaks no French. As he goes on to cover celebrities and couturiers and improves his
mastery of the language, he gradually learns what it means to be truly French. He attends a cocktail party with Yves St. Laurent and has dinner with Giorgio Armani. Over a superb lunch, it’s his landlady who ultimately provides him with a lasting touchstone for how to judge food: “you must understand the intentions of the cook.” At the city’s brasseries and bistros, he discovers real French cooking. Through a series of vivid encounters with culinary figures from Paul Bocuse to Julia Child to Ruth Reichl, Lobrano hones his palate and finds his voice. Soon the timid boy from Connecticut is at the epicenter of the Parisian dining revolution and the restaurant critic of one of the largest newspapers in the France. A mouthwatering testament to the healing power of food, My Place at the Table is a moving coming-of-age story of how a gay man emerges from a wounding childhood, discovers himself, and finds love. Published here for the first time is Lobrano’s “little black book,” an insider’s guide to his thirty all-time-favorite Paris restaurants.

"For African American women, the fight for the right to vote was only one battle. An eye-opening book that tells the important, overlooked story of black women as a force in the suffrage movement--when fellow suffragists did not accept them as equal partners in the struggle."-- Publisher's description.
In the months leading up to the 2016 presidential election, liberal outcry over ethnonationalist views promoted a vision of America as a nation of immigrants. Given the pervasiveness of this rhetoric, it can be easy to overlook the fact that the immigrant rights movement began in the US relatively recently. This book tells the story of its grassroots origins, through its meteoric rise to the national stage. Starting in the 1990s, the immigrant rights movement slowly cohered over the demand for comprehensive federal reform of immigration policy. Activists called for a new framework of citizenship, arguing that immigrants deserved legal status based on their strong affiliation with American values. During the Obama administration, leaders were granted unprecedented political access and millions of dollars in support. The national spotlight, however, came with unforeseen pressures—growing inequalities between factions and restrictions on challenging mainstream views. Such tradeoffs eventually shattered the united front. The Immigrant Rights Movement tells the story of a vibrant movement to change the meaning of national citizenship, that ultimately became enmeshed in the system that it sought to transform.

-How are you?- -Fine.- In today's busy world, we're wired to appear fine, warding off authenticity and shielding ourselves from judgment. We hide behind the hum of busyness to escape intimate friendships with the women God has placed in our lives. But we do want a seat at the table. We yearn for authentic relationships and the opportunity to be the opposite of fine with people who cheer for us. But comparison, envy, and entitlement often stop us from pulling out a chair at the table.

Gather at the Table - Thomas Norman DeWolf - 2012-10-09
Two people—a black woman and a white man—confront the legacy of slavery and racism head-on “We embarked on this journey because we believe America must overcome the racial barriers that divide us, the barriers that drive us to strike out at one another out of ignorance and fear. To do nothing is unacceptable.” Sharon Leslie Morgan, a black woman from Chicago’s South Side avoids white people; they scare her. Despite her trepidation, Morgan, a descendent of slaves on both sides of her family, began a journey toward racial reconciliation with Thomas Norman DeWolf, a white man from rural Oregon.
Two people—a black woman and a white man—confront the legacy of slavery and racism head-on “We embarked on this journey because we believe America must overcome the racial barriers that divide us, the barriers that drive us to strike out at one another out of ignorance and fear. To do nothing is unacceptable.” Sharon Leslie Morgan, a black woman from Chicago’s South Side avoids white people; they scare her. Despite her trepidation, Morgan, a descendent of slaves on both sides of her family, began a journey toward racial reconciliation with Thomas Norman DeWolf, a white man from rural Oregon who descends from the largest slave-trading dynasty in US history. Over a three-year period, the pair traveled thousands of miles, both overseas and through twenty-seven states, visiting ancestral towns, courthouses, cemeteries, plantations, antebellum mansions, and historic sites. They spent time with one another’s families and friends and engaged in deep conversations about how the lingering trauma of slavery shaped their lives. Gather at the Table is the chronicle of DeWolf and Morgan’s journey. Arduous and at times uncomfortable, it lays bare the unhealed wounds of slavery. As DeWolf and Morgan demonstrate, before we can overcome racism we must first acknowledge and understand the damage inherited from the past—which invariably involves confronting painful truths. The result is a revelatory testament to the possibilities that open up when people commit to truth, justice, and reconciliation. DeWolf and Morgan offer readers an inspiring vision and a powerful model for healing individuals and communities.
