Sir Walter Scott (1771-1832) was a Scottish historical novelist, playwright and poet. He was the first modern English-language author to have a truly international career in his lifetime, with many contemporary readers in Europe, Australia, and the Americas. His works are still admired and read today, a testament to his enduring influence on literature. His novels and poetry are still read, and many of his works have been adapted into plays, films, and television series. His characters, such as Ivanhoe and Rob Roy, are still widely recognized and beloved. Scott's work has been described as a "heroism, and romance." —Kirkus Reviews, on Outlander

The year is 1946. World War II is a distant memory, and Paul Carter is a recluse, living a peaceful life in his close-knit community in the small town of Pharris County, Texas. He is a man who values his solitude and has no interest in the outside world. However, his life is about to change when a series of events leads him to become involved in a investigation of a murder. Paul is accused of the crime, and he must rely on the help of his friends and neighbors to prove his innocence. The case is a test of friendship and loyalty, as Paul learns to trust and rely on others. The investigation leads to uncovering a dark secret that has been hidden for years, and it serves as a reminder of the importance of community and the need for justice.
